

## REMARKS

Applicant appreciates receiving the Notice of Allowance of September 12, 2006. In the telephone conference of August 31, 2006, Applicant's counsel agreed to cancel the withdrawn claims. In the examiner's amendment, claim 21 rather than claim 24 was indicated as being canceled. It is believed that this mistake was simply a typographical error. This amendment sets forth the correct change to be made, i.e., cancelling claims 24, 25, 34, 35 and 39 and 40. Since the amendments only cancel previously withdrawn claims and reflects only what Applicant believes was agreed upon, it is believed that this Amendment should not affect the patentability of the claims or require additional search. In addition, the amendment is being made concurrently with the payment of the issue fee. Entry of the amendment is requested.

Respectfully submitted,
